### **14<sup>th</sup> Australian and New Zealand Microcirculation Society (ANZMS) meeting 25-27<sup>th</sup> August, 2009, Heritage in Queenstown, New Zealand**

<http://www.anzms.org/>

Dear Colleagues,

The 14th Australian and New Zealand Microcirculation Society (ANZMS) meeting has been confirmed to take place at the Heritage in Queenstown ([heritagehotels.co.nz/queenstown](http://heritagehotels.co.nz/queenstown)), New Zealand, Tuesday 25<sup>th</sup> - Thursday 27<sup>th</sup> August, 2009.

Queenstown ([queenstown.nz.com/](http://queenstown.nz.com/)) is located in the Central Otago ([centralotago.net.nz/](http://centralotago.net.nz/)) region in the South-West of New Zealand's South Island on the shore of Lake Wakatipu, and is a popular adventure sports and ski destination.

It is easily accessible for Local and International participants, with direct connections from Sydney, Melbourne, Brisbane, Christchurch, Wellington and Auckland; with flight arrivals via Qantas ([qantas.com.au](http://qantas.com.au)), Virgin Blue ([virginblue.com.au](http://virginblue.com.au)), Air New Zealand ([airnewzealand.com](http://airnewzealand.com)), and several other airlines.

The program will consist of invited lectures, free communications (oral and poster) and symposia covering the following possible topics; angiogenesis, endothelium and smooth muscle, reproductive biology, lymphatics & wound healing, ion channels & tone, remodeling, intercellular communication, reactive oxygen species, inflammation, hypertension & diabetes. However, the specific symposia topics will be finalized later this year. Please send further suggestions to Lyn Wise ([lyn.wise@stonebow.otago.ac.nz](mailto:lyn.wise@stonebow.otago.ac.nz)), by 19<sup>th</sup> December, 2008.

**Please note that at this stage we encourage suggestions for further topics to be covered.**

The meeting is timed to precede the 6<sup>th</sup> International Society of Autonomic Neuroscience (ISAN) Congress ([isanweb.org/isan2009.html](http://isanweb.org/isan2009.html)) being held at Manly Beach, Sydney, September 1<sup>st</sup>-4<sup>th</sup> September, 2009, and the 22<sup>nd</sup> International Society of Lymphology Congress ([lymphology2009.com/default.html](http://lymphology2009.com/default.html)), being held at Darling Harbour, Sydney, September 21<sup>st</sup>-25<sup>th</sup>, 2009.

Also, please periodically access this web-site for updated information including registration, abstract submission, program details and information relating to travel and accommodation.

Please mark the dates in your calendar - we look forward to seeing you in Queenstown in 2009.
