

A joint meeting of
**Vascular
Biology**

Announcing the Inaugural Joint Annual Scientific Meeting of
Australian Vascular Biology Society, Australia/New Zealand
Microcirculation Society & **Australia/Asia Vascular Biology Meeting**

AVBS ∩ **ANZMS** ∩ **AAVBM**

19-22nd September, 2019

University of Sydney, Camperdown
Sydney AUSTRALIA

Organising Committee:

*Natasha Harvey, Ben Hogan,
Georges Grau, Maria Jelinic, Marianne
Tare, Elham Beheshti, Sian Cartland &
Simone Schoenwaelder*

A unique collaboration of **Vascular Biology** from around
the globe, including a joint plenary session with the
14th World Congress on Inflammation

Plenary Speakers include:

Paul Kubes (University of Calgary, Canada)
Gou Young Koh (KAIST, South Korea)
Dolores Di Vizio (Cedars Sinai, LA, USA)
Jenny Gamble (Centenary Institute, NSW)
Steven Stacker (PeterMac, VIC)

Showcasing a broad array of topics:

Building the vasculature
Angiogenesis & Lymphangiogenesis
Inflammation and the vasculature
The tumour vasculature/microcirculation
Oxidative Stress and the vasculature
Atherothrombosis and thromboinflammation
Cerebrovascular biology and disease
Microvasculature adaptations (pregnancy, perinatal outcomes)
Vascular Remodelling and Mechanisms
HOT TOPICS – Mechanosensing and devices, Microbiome,
Extracellular vesicles
